

We are pleased to announce that the gates of the Greene County Community Park will remain open as Phase TWO of the Governor's plan goes into effect Friday, June 5th. We will be following the rules that the Governor sets forth and looking out for the safety of citizens and our staff. Phase TWO is suggested to last two to four weeks, barring any significant jump in COVID-19 cases. We remind everyone to stay as safe as possible during this time.

FOR PHASE TWO:

If you feel unwell or if you are displaying any symptoms of COVID-19, please GO HOME!

Masks or face coverings are still recommended.

Social Distancing is still in place. Please be sure to keep at least SIX FEET of distance between yourself and anyone else.

Social Distancing guidelines at this point also call for gatherings to be limited to 50 people or less. Capacity is limited to 50 people for park shelter rentals.

Frequent hand washing is still recommended.

Please contact Jeff Billker or Sean Sweeney at the Parks and Recreation Department with questions.
